MAJOR LITERATURE

[illegible][illegible]

Director of the State of Texas have obtained the above said man from an actual survey on the ground, and that all blood counts, weight counts, and points of ears are carefully marked with red paint from exactly opposite and length of a ribcage, which should be 45 to 50 cm. 3.00 g. or approximately that. This document represents that day's most by me.

This is to certify that I, Mr. J. W. Williams, of Lawrence, Kansas, from an actual survey of the State of Texas, have placed the above described points marked on the ground and that all block corners, angle points, and boundaries of survey are properly marked with iron pipes (new survey) diameter and length of steel rods which should be approximately 3 long or equivalent, and that this plat correctly shows the survey made by me.
