

# Agent Survey Checklist

- Survey seal (stamp)
- Surveyor's signature
- Surveyor's certification
- Date the survey was completed  
*(Confirm the seller has not modified the footprint of the home since this date)*
- Complete Legal Description
- Confirmation that all buildings on the property are on the survey  
*(Shed, pool, garage, carriage house)*

*\*Verification of the above will assist in determining whether or not a prior/existing survey meets underwriting requirements for use in a current transaction.*
