HILL COUNTRY BACK ROADS

A scenic back roads loop through some unique Hill Country locations such as Bergheim, Kendalia, Blanco, and Wimberley. This is an opportunity to take a couple of rural roads well known to the locals, Crabapple and Purgatory. Another Hill Country Classic.

LUCKENBACH

MOUNTAIN RIDE

The Mountain Ride will take you on an all-day ride through scenic Texas Hill Country roads west of San Antonio. The destination is Leakey; the ride is long and tiring for those not accustomed to a lot of riding. Not recommended for beginning riders. Be sure to start with a full tank. This is a "grab and go" ride, meaning you'll have the chance to get snacks and food at the gas stops, so be sure to eat a hearty breakfast.

RIVER ROAD

On the River Road / Canyon Lake ride you will take the scenic River Road along the Guadalupe River and continuing over the Devil's Backbone and around Canyon Lake before returning to San Antonio via Purgatory Rd. Be sure to bring a camera to catch the breathtaking views from the Backbone.

SHINER

Head out to Shiner through LaVernia, Stockdale, and Smiley, and end up at the home of the Spoetzl Brewery and the EDB Museum. Return through Gonzales and Seguin.
