## T.A.P.R. - Texas Academic Performance Reports

The Texas Academic Performance Reports (TAPR) pull together a wide range of information on the performance of students in each school and district in Texas every year. Performance is shown disaggregated by student groups, including ethnicity and low income status. The reports also provide extensive information on school and district staff, programs, and student demographics.

The below are some of the key numbers. For full reports go to: [tea.texas.gov](http://tea.texas.gov)
