Slidell ISD	1.242500	--	1.022500	0.220000		

Please note that this is a broad overview of tax rates in your area. Geographic areas subject to the various taxing authorities often overlap each other, and may not be defined by the boundary lines between cities, school districts or neighborhoods. In other words, properties in the same neighborhood may be subject to different taxing authorities. Talk to your Realtor or title company about tax rates for a specific property.
