Just northwest of Fort Worth, Azle is a growing community with deep roots. Founded in 1846 by frontier doctor James Azle Steward and shaped for generations by ranchers, farmers, and tight-knit families, it has evolved from an agricultural outpost into one of North Texas's most welcoming small cities. Azle is the self-proclaimed "Gateway to Eagle Mountain Lake," giving residents easy access to boating, fishing, and waterfront recreation right in their backyard. Day-to-day life comes with real amenities – parks, a public library, a golf course, a historical museum, and a lively Main Street anchored by a Chamber of Commerce nearly 400 members strong. Azle is a place you'll want to stay.
