Golf & Tennis

Hidden Creek Golf Course
 Nestled along Hidden Creek, this links-style and traditional blend winds through oak and mesquite groves, with narrow, tree-lined fairways that demand accuracy. Fast, expansive greens, frequent water, doglegs, and a few split fairways from designer Stephen D. Plumer add challenge. The standout is the 448-yard No. 8, requiring a 230-yard tee shot over water to a tight landing area and a precise approach along a dogleg-left to a multi-tiered green.
