County: Bell

Population: 393,193 (2023)

School District: Killeen ISD

** County listed is the location of city hall.*

Killeen is a thriving community in Central Texas. Located directly adjacent to Fort Hood, the city has earned recognition as a classic military "boom town." What began as a small railroad settlement in 1881 transformed dramatically during World War II when Camp Hood was established, fundamentally changing the area from an agricultural center to a bustling military hub.

Today, Killeen maintains its strong military character while offering substantial educational opportunities through institutions like Central Texas College and Texas A&M University-Central Texas. The city's location places it within easy reach of Austin, Dallas, and San Antonio, connected by major highways that facilitate both military operations and civilian commerce.
