LEWISVILLE *Lake*

lake-lewisville.org

Located in North Texas, Lewisville Lake is a premier destination for outdoor recreation, offering more than 29,000 acres of water and over 230 miles of scenic shoreline. Conveniently situated near the Dallas-Fort Worth metroplex, the lake provides easy access for visitors seeking everything from peaceful lakeside relaxation to high-energy adventure. Its expansive waters and surrounding parks create an inviting setting for boating, swimming, hiking, and picnicking, making it a favorite year-round getaway.

Lewisville Lake is also known for its excellent fishing, with anglers enjoying opportunities to catch largemouth bass, crappie, catfish, white bass, and the highly sought-after hybrid striped bass. Beyond the water, the lake's diverse natural habitats—including wetlands, wooded shorelines, and open grasslands—support a wide variety of wildlife. Birdwatchers can spot species such as herons, egrets, pelicans, and migratory waterfowl, while native wildlife like deer and small mammals are often seen throughout the parks and trails.

With multiple marinas, public parks, and access points offering rentals, boat ramps, and convenient amenities, Lewisville Lake provides something for everyone. Whether casting a line at sunrise, observing wildlife along the shoreline, or enjoying a sunset over the water, visitors will find a perfect blend of natural beauty and recreation at one of North Texas's most popular lakes.
