T.A.P.R. Texas Academic Performance Reports

The Texas Academic Performance Reports (TAPR) pull together a wide range of information on the performance of students in each school and district in Texas every year. Performance is shown disaggregated by student groups, including ethnicity and low income status. The reports also provide extensive information on school and district staff, programs, and student demographics.

ACCOUNTABILITY RATINGS

The Texas Education Agency Multi-Year District Ratings show the accountability ratings for districts and all schools within the district (based on the new STAAR State of Texas Assessments of Academic Readiness tests as well as other indicators).
