T.A.P.R. Texas Academic Performance Reports

The Texas Academic Performance Reports (TAPR) pull together a wide range of information on the performance of students in each school and district in Texas every year. Performance is shown disaggregated by student groups, including ethnicity and low income status. The reports also provide extensive information on school and district staff, programs, and student demographics.

General School Inquiries and Information

For general information about the requirements of public schools in Texas, you may contact the Office of General Inquiry.

You may contact staff members of this office by phone or e-mail:
